

ADVANCED VALUATION SYSTEMS, INC.

Tyler L. Robinson

Qualifications

Business Experience

Tyler Lee Robinson has worked with Advanced Valuation Systems since June 2003. His early responsibilities included research, organization and administrative duties. Mr. Robinson has met the requirements to become authorized as Appraiser Trainee by the State of Texas, and is taking the steps necessary to become a Texas state Certified General Real Property Appraiser.

Valuation Experience

Tyler Lee Robinson has specialized in the appraisal of triple-net leased commercial properties. Mr. Robinson has completed the economic analysis and appraisal of more than 100 CVS/pharmacy retail stores since 2003. Mr. Robinson has also appraised several other retail, industrial, and investment grade properties to determine the Market Value for financing, possible sale or purchase, allocation of purchase price, ad valorem purposes and internal planning purposes. Typical properties have included vacant land, light industrial facilities and single-tenant retail facilities.
